1:30PM - THE CEREMONY

Our stunning Gallery Suite, with its modern light wood panelling and views overlooking it's own private garden and courtyard, offers the most wonderful ceremony room. If you are planning a wedding over the Summer months, you can also get married outside under the pergola in the courtyard.

(Both spaces are licensed for up to 170 guests - See venue hire pricing for details)

2:00PM - DRINKS RECEPTION

After your ceremony we will throw open the doors to the courtyard and garden for that all important confetti shot and group photo. Your guests will then be greeted with a glass of fizz or Pimm's in this beautiful enclosed space, allowing guests to mingle.

(2 arrival drinks and 4 canapes per person included in Wedding package)

3:30PM - WEDDING BREAKFAST

Your guests will be led through to our recently refurbished Landscape Suite, with views overlooking the golf course, for your reception. Your guests will enjoy a delicious meal, prepared by our in house catering team and be topped up with wine throughout.

(3 course meal and 1/2 bottle of wine per person included in Wedding package)

5:30PM - SPEECHES

Once your guests have been fed and watered, it's time for the all important speeches! Our team will serve Prosecco to your guests to toast with, and our experienced Wedding Planners will be on hand with the speaker and microphone for when you're ready to start.

TOP TIP - After the speeches is the perfect time to head out to the Golf Course for your couple photos.

(Glass of Prosecco per person included in Wedding package - Sound systems free of charge)

7:00PM - CAKE CUTTING & FIRST DANCE

Once the formalities are over, it's time to start the party! If you are having additional evening guests, we would recommend for them to arrive from 6:30pm. Our team will then liaise with your DJ to announce your Cake Cutting and First Dance, then it's time to turn up the music, turn down the lights, and party the night away!

(Bar and music license is until 11:30pm - Last orders will be called at 11:15pm)
