

ALL SAINTS RESORT
WEDDINGS

WELCOME TO ALL SAINTS

All Saints Resort is situated in the village of Fornham St. Genevieve located just outside Bury St Edmunds. With fantastic travel links to the A14, Cambridge and Stansted Airport, making it the perfect destination for your big day.

Here at All Saints Resort we have ample guest bedrooms on site and plenty of facilities to accommodate your guests, including The View restaurant and bar, seven treatment rooms, state of the art gymnasium and golf course.

PREPARATIONS

Get ready in style at All Saints Resort in one of our Bridal suites. Available to you to book the night before your wedding, so that you can start those all important preparations just minutes away from the ceremony room.

Our experienced Events Team will be on hand to meet your suppliers in the morning and set up the function room so that you can sit back and enjoy a glass of fizz whilst you get ready, taking away the stress from the moment you step through the door.

Upon arrival to All Saints Resort, your guests will be directed to the bar to enjoy a drink with views over the Suffolk Golf Course before your ceremony. Our Events Team will then direct your guests through to The Gallery or Courtyard to take their seats.

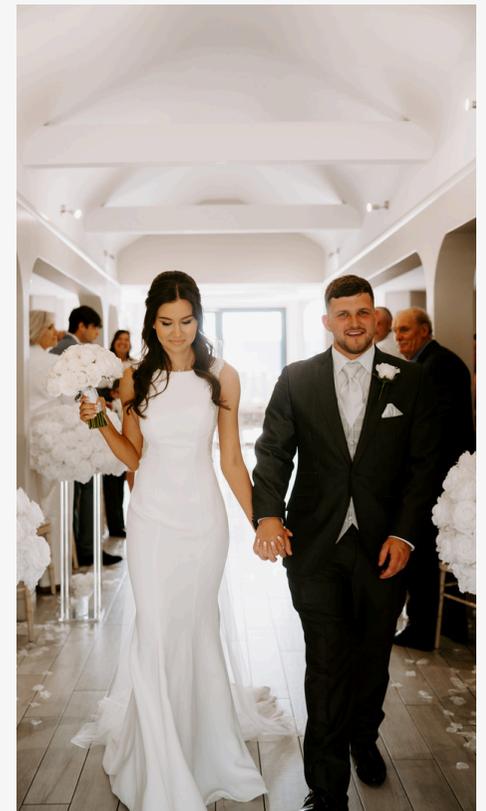

LET'S GET MARRIED

Situated in the heart of the hotel, The Gallery is the perfect space for your civil ceremony. Available for up to 170 guests, the modern design and stunning natural lighting make for the most magical of settings.

Or why not enjoy an outside ceremony in our stunning enclosed Courtyard, complete with it's own pergola and festoon lighting.

You will be required to book the registrars for your ceremony yourself and we would recommend a 1.30pm onwards ceremony.

Alternatively, there is an abundance of local churches if you are looking for an off site ceremony.

CHEERS!

After your nuptials we will throw open the doors to the courtyard, ensuring you get the 'confetti shot' and group photo. Followed by your guests being greeted with trays of fizz and canapes for all to enjoy.

The Gallery Courtyard offers a stunning backdrop for those all-important family photos. Why not book some acoustic music from one of our talented recommended musicians or hire some garden games to keep your guests entertained whilst those special photos are being taken! Informal or formal, the choice is yours!

Our Events Team will also take you out on the Suffolk Golf Course to get some couple photos, the perfect opportunity for some time just the two of you.

TAKE YOUR SEAT

You and your guests will be led through to The Landscape suite, with stunning views overlooking the Golf Course, for your sumptuous wedding breakfast cooked by our wonderful in house team of Chefs.

Once the meal concludes, speeches will commence and more fizz will be poured. There's no need for a toast master at All Saints Resort as our experienced

Events Team will be on hand to introduce you throughout the day and ensure everyone is where they need to be.

Of course with every wedding, the littlest of guests must be looked after too! Our little ones package offers them a three course children's menu and unlimited squash throughout the day, or alternatively, they are more than welcome to enjoy half portions of the adults meal!

LET'S PARTY

Once the formalities have finished, it's time for the first dance on our black and white dance floor with our own disco ball and ambient lighting. Whether you plan on having a DJ or a band,

The Landscape lends itself to the perfect party! The Landscape bar will be open throughout offering guests a selection of drinks, with space for up to 300 guests in the evening. The patio will be lit throughout with festoon lighting, offering a great outdoor space for those guests who want to get away from the party.

With plenty of space, this is the perfect room to include a photo booth, sweet cart or even a casino to keep your guests entertained!

Once the party comes to a close, our Events Team will pack everything up and safely store it for you until the following day... So you really can enjoy every minute.
